

Owl Class

Summer Term Overview

Coastline / Beach Hut

Maths

As mathematicians we will be adding and subtracting numbers. We will also be dividing and multiplying. We will be having fun measuring and weighing different objects. We will be using what we know to solve problems.

PE

As gymnasts we will be exploring different ways to travel and linking them together in a sequence. We will also be developing our ball skills.

R.E

In our lessons will find about Jewish families and 'Why Jesus is trusted by Christians'.

Writing

We will be writing descriptions, recounts, reports and later in the term short stories. We will be improving our handwriting and sentence structure. Each week we will practice six spellings.

DT

In DT we will be investigating joining skills and using them to make beach huts.

Art

As artists we will become printers to create a picture of waves.

Music

As singers we will be learning to sing a song to celebrate the Queens Jubilee. We will create our own music using percussion instruments.

P.S.H.E

We will be discussing how to stay safe and how to have a healthy lifestyle..

History

As historians we will be finding out about jobs in the past.

Reading

As book lovers will have a guided reading session with our teacher each week as well as reading to an adult individually. We will read and discuss a class text.

Geography

As geographers we will use a world map to name the oceans. We will discover what human and physical features can be found at the seaside.

Science

As scientists we will be identifying trees and flowers. We will investigate what plants need to grow healthily.

How can I help at home?

You can help your child by hearing them read for at least 10 mins five times a week. Practice counting forwards and backwards to 100. Year 2 can recite the x2, x3, x5 and x10 tables.

Visits / visitors / Trips

We hope to visit a local farm and spend a day at the seaside
