A Message From Staff

Sports and the Arts have been keeping us busy this week. Our minibus was put to good use on Tuesday transporting our Year 5 and 6 girls to the Anglian Learning girls football tournament. We were thrilled to hear that they were second, only losing to penalties in the final. Well done, girls! Later that day our year 5/6 cricketers headed off to the Bury Schools Kwik Cricket event, competing against some local schools. It was a pleasure to collect beaming smiles and tired bodies after the event.

We have also thoroughly enjoyed some theatre performances by Doorstep Theatre company this week too. Key stage 1 enjoyed Party! with lots of celebration while our older children explored some themes around mental health in the play, The Lies You Tell. Both were amazing productions, organised through the Theatre Royal, and the follow up workshops were great fun. It is wonderful to see our fabulous children learn in such creative ways.

Next week at Howard.....

Monday 20th June– Professional teacher training day (no children in school)

Tuesday 21st to Friday 24th June- Active Week– wear sports clothes

Friday 24th June– Skipbeatz workshops

*****Date change for Rabbit class trip to Thursday 30th June*****

Tesco Community Grant

We are very excited to have been nominated for a Tesco community grant. When you are shopping in Tesco, please do vote for us with your Tesco tokens in store from July to September. The more tokens we receive, the more outdoors equipment we will be able to purchase for our children. Please spread the word!

Catering

Anglian Learning has been working since autumn 2021 on appointing a single catering partner to work with us across all schools. Following a formal tendering process Innovate have been selected from a strong field and will start delivering a high quality food offer in September 2022, supported by existing staff and a number of new appointments. An important focus in awarding the contract was sustainability. Innovate will be working hard to reduce packaging and will work with staff, parents and pupils to reduce food waste and with our site teams to ensure that the waste that does remain is managed effectively to minimise our carbon emissions. Alongside capital investment in a number of school kitchens and to reduce queue times at our secondary sites, Innovate are also creating a social impact fund for each academy, empowering pupils to make a difference in their local communities. We will share more on what catering will look like in the autumn in the coming weeks.
