## A Message From Staff

Our office bell has been ringing lots this week as we welcomed lots of visitors this week. Our jubilee workshops and reading cafes have been a lovely opportunity for the children to share some of their learning and preparations with you. As I write, we are putting in place the last minute preparations for our celebration tomorrow. I am especially looking forward to the children being able to share their fabulous singing with you.

On Thursday we had visitors from other schools in Anglian Learning and Mr Oakley join us for a peer review of our fantastic art and science work in school. Miss Attwood (Arts lead), Mrs Wakeman (Science lead) and I shared some of our journey as a school over the past two years and they were impressed by the work that our subject leaders had led across the school. It was particularly wonderful to hear the Key Stage 2 children sharing their enjoyment of art and science learning and some **aspirations** to become artists themselves. As always, there is still more to develop and we look forward to the next steps in our journey as a school.

Next week at Howard.....

Monday 30th May– Friday 3rd June Half term holiday

Monday 6th June– Jubilee bank holiday

Tuesday 7th June– We look forward to welcoming the children back to school for the Summer term.
